## WELCOME TO THE 32<sup>nd</sup> ANNUAL KIN CLUB BUSINESS EXPO!

We're glad to be back with our 32nd Kin Business Expo. Why Kin and not Kinsmen? Well the Kinsmen and Kinettes have joined together to form one club. This allows us to hold more events like this one and the Wine and Mickey draw we had a little while back.

What else is new? You will notice quite a few new vendors showcasing their products at our event. Our exhibitors are here for you to chat with so please take your time at each and every booth. If you have any show questions, please don't hesitate to get into contact with us. We're on Facebook and have our own space on the net at [www.dauphinkin.ca](http://www.dauphinkin.ca).

The Kinsmen Club of Dauphin will be holding their 50/50 draw along with the popular Plinko. (say hi to Rob and Perry, they love plinko).

Consider joining a service club this year. You can make a difference in Dauphin while having fun and building your own sense of community. While at the show, we will may not be wearing the red Kinsmen shirts but we have a booth where you can ask about joining the club.
